On 12 May 10, my Elite number hit 1st prize (5998) and I won \$2000.00. I believe it will be very soon before I hit the 1st prize direct of \$8000.00! – Satu Mata

Dear Readers,

I am in my forties with many medical problems. I am diabetic and also suffers from eye cateract. At first, I thought I had cateract on one of my eyes only. So a few years ago, I had an operation on my left eye. However, today the cateract on my right eye is so bad that I can hardly see. Master, can you help me to strike first prize direct so that I have the money to operate my right eye?

I decided to join the Elite Player Plan because I have faith and confidence that Master Charles is able to help me. Well, I am not very far from my dream. On 12 May 10, my Elite number hit the 1st prize (5998) and I won \$2000.00! I believe it will be very soon before I hit the first direct of \$8000.00.

Master, Jia you! Jia you! I know you can do it . I placed my faith and confidence in your numbers. Thank you very very much.

Thank you Master Charles.

敬爱的读者们,

我已经 40 岁了, 身体不太好, 面对很多病。我有糖尿病和眼睛白内障。刚开始, 我以为只有我的左眼有白内障, 所以几年前, 我的左眼做了手术。但是, 现在我的右眼也患上了严重的白内障, 看任何东西非常吃力。万字高手, 真的希望你能帮助我中正字首奖, 这样的话, 我就有钱去给我的右眼做手术。

我决定参加 Elite 玩家计划, 因为我有信心, 万字高手能够帮助我。现在, 已经跟我期望的结果不远了。2010年5月12号, 我的 Elite 号码 5998 开出了首奖全打系统, 我赢得了 \$2000.00 的奖金! 我相信我很快就会中首奖正字, 赢得 \$8000.00 的奖金。

“... Master SMSed me and said, Congratulations! You strike 5506, 1st prize and won \$2000.00. I was really very happy!”
– Mdm. Ying Ying

Hi Master Charles,

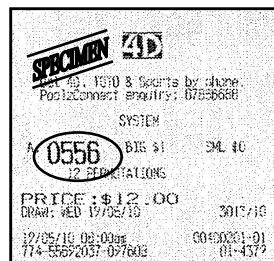

I am a loyal long time Elite member for more than 4 years already. I feel privileged to be an Elite member because I get to strike 4D every so often. During the last 4 years, I have strike top prizes, both on system and direct, many times already.

Recently I received a very pleasant surprise from Master. It was in the week of 15, 16 & 19 May 10 and my Elite number for the week was system 0556 together with three direct numbers.

On 19 May 10, as usual, I was very busy at work and forgot even to check the 4D results. Then to my surprise that evening after work, Master SMSed me and said, “Congratulations! You strike 5506, 1st prize and won \$2000.00! I was really very happy because I have been looking forward to winning 1st prize again.

As a lottery player, I realized that it is better to rely on the Elite Player Plan to strike 4D. I believe in luck and playing smart. Surely the numbers given to by Master will stand a better chance of hitting. This is indeed very true. I also trust that Master will give good numbers to his members. When we strike, he gets our ang pow, so he will give us the best numbers that will strike.

“...万字高手发短信给我，恭喜！你中了首奖 5506，赢得了\$2000.00 的奖金。我真的很开心！”

– Mdm. Ying Ying

你好万字高手，

我是你忠诚的 Elite 玩家会员，我参加 Elite 玩家计划已经超过 4 年了。成为你的 Elite 会员，我感到很荣幸，因为我会经常中 4D。在过去的 4 年里，我中过首三奖，两次全打系统，还有很多次正字。

最近，我收到万字高手给我的惊喜。2010 年 5 月 15, 16 和 19 号的那个星期，我的 Elite 号码是系统 0556，另外还有三对正字。

2010 年 5 月 19 号，像平常一样，我忙着工作，忘记查 4D 开奖结果。让我惊讶的是，晚上当我放工的时候，我收到了万字高手发来的短信。“恭喜！你中了首奖 5506，赢得了\$2000.00 的奖金！”我真的很开心，因为我又一次中了首奖。

做为一个忠诚的玩家，我发现在 Elite 计划的帮助下中 4D 很容易。我相信运气和聪明的玩法。可以肯定的是，万字高手给的号码要比自己的号码中奖几率高很多。这是毫无疑问的事实。我也相信万字高手一定会尽量预测出最好的号码给他的所有会员。如果我们中了奖，我们会给万字高手红包，所以他一定会尽力帮助我们中奖。
