

Letter From A Elite Winner

On 12 May 10, my Elite number hit 1st prize (5998) and I won \$2000.00. I believe it will be very soon before I hit the 1st prize direct of \$8000.00! – Satu Mata

Dear Readers,

I am in my forties with many medical problems. I am diabetic and also suffers from eye cateract. At first, I thought I had cateract on one of my eyes only. So a few years ago, I had an operation on my left eye. However, today the cateract on my right eye is so bad that I can hardly see. Master, can you help me to strike first prize direct so that I have the money to operate my right eye?

I decided to join the Elite Player Plan because I have faith and confidence that Master Charles is able to help me. Well, I am not very far from my dream. On 12 May 10, my Elite number hit the 1st prize (5998) and I won \$2000.00! I believe it will be very soon before I hit the first direct of \$8000.00.

Master, Jia you! Jia you! I know you can do it . I placed my faith and confidence in your numbers. Thank you very very much.

Thank you Master Charles.

敬爱的读者们,

我已经 40 岁了, 身体不太好, 面对很多病。我有糖尿病和眼睛白内障。刚开始, 我以为只有我的左眼有白内障, 所以几年前, 我的左眼做了手术。但是, 现在我的右眼也患上了严重的白内障, 看任何东西非常吃力。万字高手, 真的希望你能帮助我中正字首奖, 这样的话, 我就有钱去给我的右眼做手术。

我决定参加 Elite 玩家计划, 因为我有信心, 万字高手能够帮助我。现在, 已经跟我期望的结果不远了。2010年5月12号, 我的 Elite 号码 5998 开出了首奖全打系统, 我赢得了 \$2000.00 的奖金! 我相信我很快就会中首奖正字, 赢得 \$8000.00 的奖金。
