“Within three months, 4D Master predictions were right on target - 6 times on direct numbers. All in all, I won a total of \$3540.00!” – L.T.S.

To Master Charles,

I am really fortunate that I joined as a member in Lucky Star SMS Forecast and Web-based e-Zine Service. Not only I won a lot of money and it also brings me joy and pleasant surprises too! In just three months, I have won 6 direct numbers. With the help of the e-Zine, in December, I won 4 prizes (two came from the Lucky Star SMS Forecasts and two came from the e-Zine).

In October 09 Lucky Star SMS Forecast, I hit two prizes on direct numbers and won \$1250.00.

On 20 December 09, I strike direct on 9367 (conso), and again on 26 December 09, I strike direct on 8448 (starter), I won a total of \$560.00!

In addition, every Monday after 7 p.m. I will login into the e-Zine and check out 4D Master recommended numbers for the week. In December 09, from the 4D Master Special Forecast, system 1249 and 4 direct numbers, 1429, 1924,

9124 and 2194 are recommended. Along with my "own heart water" (心水, ie. favourite) numbers 4912 and 2149, I bought 6 direct numbers each \$3 big. On 9 December 09, I strike 2194 (starter) direct and won \$750.00!

What made me even happier is that in the same month, on 20 December 09, in your e-Zine "4D Master Special Tips Of The Week" you recommended system number 2357. It happened to be the same as my work project number 5273. It also the same number with my lucky star "Aries".

Some more, this number 2357 is also recommended in the "4D Master Choice Of The Month". Actually I did not want to buy, but in such circumstances, I changed my mind and decided to bet on the number. Wow! That evening, this number opened and I strike 3rd prize direct on 5273 and won \$980.00!

Ha Ha! In December 09, I won a total of \$2290.00, plus in October 09 I won a total of \$1250.00. Within three months, 4D Master predictions were right on target - 6 times on direct numbers. All in all, I won a total of \$3540.00!

To be honest, during my life playing the 4D, this has broken my record in winning 4D. This is indeed amazing and powerful!

Thanks a million, 4D Master!

“在短短的三个月里，万字高手
准准测中了高达6次之多的正
字，总共赢得了\$3540的奖金！”
— L.T.S.

万字高手：

我真的很幸运可以参加“幸运星座短信预测”(Lucky Star SMS Forecast)及“e-电子杂志”(Web-based e-Zine)服务的会员，不但赢了很多钱，而且还给了我连连惊喜！在短短三个月内我已经赢了6次正字，再加上在e-电子杂志的帮助下，让我在十二月份里，中了4次奖(两次幸运星座短信预测，两次e-电子杂志服务)。

在十月份的幸运星座短信预测服务中，我已经中了两次正字，并且赢得了\$1250的奖金。

再加上09年12月20号的正字9367(安慰)，和09年12月26号的正字8448(入围)，总共为我赢得了\$560的奖金！

另外，e-电子杂志每逢拜一七点过后，我就会上网查看万字高手有什么靓字推荐。终于在12月7号至13号期间，在万字高手特别预测中推荐的全打号码1249，还有额外四对正字，分别是1429，

1924, 9124 和 2194, 再加上我自己的心水字 4912 和 2149, 一起买了这 6 对正字各\$3 大。

09 年 12 月 9 号, 2194 真的开出了正字入围奖, 又一次让我赢得了\$750 的奖金! 更让我开心的是, 在同一个月里, 09 年 12 月 20 号, 你在网上“万字高手每星期特别推荐”的全打号码 2357, 刚好跟我工作的任务代码是一样的 5273。

又加我的星座“白羊座”及“万字高手本月之选”又推荐了这对字全打。我本来是没有打算买的, 但是在这样的情况下, 我改变了主意决定下注了! 哇! 当天晚上竟然真的开出了三奖正字 5273! 我又再次赢得了\$980 的奖金!

哈哈! 09 十二月份我总共赢得了\$2290 的奖金, 再加上十月份的奖金\$1250。在短短的三个月里, 万字高手准准测中了高达 6 次之多的正字, 总共赢得了\$3540 的奖金!

坦白讲, 在我这一生中, 这样子赢 4D 已经是破纪录了, 也是最厉害的一次了!

万分感谢你, 万字高手!
