Hello,

My name is T Harv Eker.

I'm very excited to be able to come to the exciting country of Singapore this September 2011 to conduct my world-famous Millionaire Mind Intensive Program.

I understand that some of you may not really be acquainted with me so let me introduce myself. Using the principles I teach, I went from zero to millionaire in only 2¹/₂ years!

I'm also the author of the #1 *NY Times* bestselling book *Secrets of the Millionaire Mind - Mastering the Inner Game of Wealth*, the perfect introduction to some of the key wealth management methods taught at the Millionaire Mind Intensive. The book has been translated into 26 languages (and counting!) and has shown people all over the world how to create total financial freedom.

Today, I want to extend a very special invitation to you to invite you to come and spend 3 explosive, impactful and life-changing days with me. During these 3 days, you'll be empowered with a Millionaire Mindset and this Mindset will help you to accelerate all aspects of your life.

To Wealth, Health and Success!
