

Letter From A Lucky Winner

"I bought the number, 2884 on \$3 big and \$2 small on ordinary bet. To my amazement, I hit the 1st prize, won \$12,000.00 on 13 June 2010." - Lucky winner

Hello,

I just like to share my lucky story with readers of 4-D WINNING BOX. I was in a difficult situation with some financial problems. I had been thinking for quite a long time how to find quick money, of course the legal way, to meet my urgent need.

One fine day, I was walking along Selegie Road with my friend. Suddenly, he suggested that I should consult the Astrologer. After some consideration, I agreed and said OK, let's go to see him then.

I visited the Astrology. After the consultation, he gave me a set of 4D numbers. I bought the number, 2884 on \$3 big and \$2 small on ordinary bet. To my amazement, I hit the 1st prize, winning the amount of \$12,000.00 on 13 June 2010.

With the prize money, it has helped me to settle a great deal of my financial needs.

Thank You Very Much Mr. Gayyan for this miracle to happen.

“我买了正字 2884，\$3 大和\$2 小。不可思议的是，2010 年 6 月 13 号，我竟然中了首奖，赢得了\$12,000.00 的奖金。”

大家好，

我想向所有万字票中奖格杂志的读者分享一下我的中奖故事。我面临着经济困难，我一直在想怎么样才可以快速赚钱，当然是通过合法途径，来解决我棘手的经济问题。

一天，我和我的朋友走在 Selegie 路，突然，他建议我去拜访星相师傅。我考虑过后，决定去见他。

拜访了星相师傅过后，经过他的预测，然后给了我一组 4D 号码。于是，我就买了这组号码 2884，正字\$3 大和\$2 小。不可思议的是，2010 年 6 月 13 号，我竟然中了首奖，并且赢得了\$12,000.00 的奖金。

这笔奖金，帮助我解决了我大部分的经济危机。

非常感谢你 Gayyan 先生。谢谢你让这个奇迹发生了！
