“That evening, Bravo, my lucky star sms , 6161 hit first prize. WOW! I won a total of \$4,000.00! Bagus Sekali!” – Yusnan

Hello Master Chia,

I am a loyal lottery customer and one of the first few who joined the Lucky Star SMS service. As a member, every Monday by 5.30 p.m., I received SMS from Master for my Lucky Star numbers for me to play for the week.

On the first week of February, in the evening of 6 Feb 2011, one of my Lucky Star numbers which I received was a system system number, 1166 and three direct numbers. Since 6161 is my personal number, I decided to pick this number and buy 6161 \$2 direct.

That evening, Bravo, my Lucky Star number, 6161 hit first prize. WOW! I won a total of \$4,000.00! Bagus Sekali! (Very Good!) Although I do not celebrate Chinese New year, it is really great to receive an “angpow” from Singapore Pool on the 4th day of Chinese New Year. Master, thank you very much for giving me such a good number! Sibey Chun! (very, very accurate!)

你好万字高手，

我是你忠诚的幸运星座短信预测服务的会员，也是最前几名参加你的服务的会员。做为一名会员，每个星期一下午 5.30，我就收到了整个星期的幸运星座短信预测的号码。

二月的第一个星期，在 2011 年 2 月 6 号的晚上，我收到的幸运星座短信预测号码中的其中一个号码 1166，还有另外三组正字，刚刚好，这也是我自己的个人号码，所以我决定投注这个号码 6161 正字 \$2 大。

那个晚上，我的幸运星座短信预测号码 6161 开出了首奖。哇！我赢得了总共 \$4,000.00 的奖金！真是太好了！虽然我没有庆祝华人新年，但是我真的非常开心在华人新年的第四天从新加坡博彩协会收到了一个“红包”。万字高手，万分感谢你，谢谢你给了我这么好的一个号码！真的很准！
