

Letter From A WinBox Reader

“True enough on 4 Jan 09, the number 3434 came out 3rd Prize and I won \$800. I was lucky to get \$1 small as the Big was sold out” – Jambaliah

Hi Master,

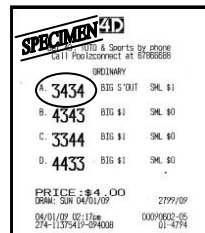

This is my second time I write to you and I would like to share with my experience with other 4D players.

Even though I am not an Elite Player, I believe I can still increase my rating of striking 4D. I strike regularly by matching my own numbers with your 4-D BOX number forecasts in your 4D Magazine.

On 4 Jan 09, I strike 3rd Prize by using the same method. It is my new house number. In Dec 08, I saw my house number in Box 4 of the 4-D Winning Box. Then in Jan 09, I saw the same number, again in Box 4 of the Magazine. As such, I am confident this number will hit.

True enough on 4 Jan 09, the number 3434 came out direct 3rd Prize and I won \$800! I was lucky to get \$1 small as the Big was sold out. Still, it is not bad lah.

I enjoy playing 4D not because I want to become rich. I play 4D as a pastime. When I win, no matter what prize, I feel shiok! Like you said, “Enjoy the game and play within your budget.” Thanks Charles.

“果然在09年1月9日，3434开出了三奖，我赢得了\$800。我很幸运投注了\$1小因为“大”全卖完了。” - Jambaliah

你好万字高手，

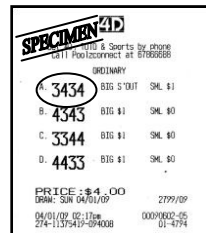

这是我第二次写信给你，我要和你及其他万字票玩家分享我的中奖经验。

虽然我不是 Elite 玩家，我相信我还是可以提高我的万字票中奖率。我常常核对自己的万字票号码及你的万字票中奖格杂志，结果就常常中奖。

在 09 年 1 月 4 日，我使用同样的方法中了三奖。在 08 年 12 月，我在万字票中奖格杂志的格子 4 中看见了我家的门牌号码。接着在 09 年 1 月，我又见到了同一组号码出现在万字票中奖格杂志的格子 4 中。于是，我有信心这组号码会中奖。

果然在 09 年 1 月 9 日，3434 开出了三奖，我赢得 \$1000。我很幸运投注了 \$1 小因为“大”全卖完了。这也算不错啦。

我喜欢投注万字票不是因为我想发大财。我只是为了消遣。只要是中奖，我就会很“爽”！就像你说的，量力而为。谢谢你万字高手。
