

Basic and Professional 4D GrandMaster Software

New 6-month Subscription is now available!

Both the **Basic version and Professional version of the 4D Grandmaster** software are very much in demand by 4D fans. The price of a 12-month subscription of the Basic and the Professional version is presently selling at \$168 and \$288 respectively.

A comparison between the Basic and Professional version is given at page 2. For licensing and login and operating procedures, see page 3.

Starting 1st July, we introduced a **6-month subscription** for both the Basic and Professional version. This is to provide an opportunity for new users to try and check out the new software before committing to a longer term subscription.

The details and pricing of the **6-month subscription** of both the Basic and Professional version are given at page 5 and 6.

Signed up now for the Launch ZOOM demo and tutorial presentation now.

You will be notified of the date and time once we fix the schedule.

Whatsapp Master Charles Chia at 93874088.

4DGM – A comparison Between Basic and Full Professional version

Upon purchase, the Basic or Professional 4DGM software will be licensed to you for the sole and personal use as a registered subscriber. You are allowed to access on two of your selected own devices. The first two logins on your devices will be registered as authorised devices. Any other person or device is deemed as unauthorised user/ device.

When U signed up and paid up for the subscription to Basic or the Professional 4DGM, we will email you the Login ID (your email) and password within 48 hours. When logging in, make sure to type in your ID and password correctly. Password is case-sensitive.

Both Basic and Professional 4D GrandMaster are web-based / cloud-based software that do not need installation or setup. You just need a computer/ tablet/ mobile phone with a modern web browser such as Chrome, Microsoft Edge and Safari.

The software will run on most popular operating systems, eg. MS Windows, MAC OS, Apple IOS and Andriod. It is best view on PC/Mac desktops/ Laptops/ Notebooks/ Tablets with screen size of 12" or above. However, on Mobile smart phones, they may have some limitations due to their smaller screen sizes. (Landscape display is recommended).

Upon purchase, your subscription will start upon issuance of your login credentials. On its expiry of subscription, you may opt to renew at the prevailing subscription rates at that point of time.

With Best Regards!

Master Charles Chia

The Basic and Full Professional 4DGrandMaster softwares are designed and developed for 4D players from beginners up to advanced players.

The softwares are jointly developed by Master Charles Chia & his Professional Programmers.

With our combined experience and expertise of some 30 years, we have come together, worked together and collaborated together to produce this software.

It is a state-of-the-art yet user-friendly and intuitive software to assist users to analyse and pick 4D numbers to play in 4D games.

Master Charles Chia will be conducting a series of free preview, demonstration and tutorial via ZOOM on the key features of the software such as the Graphical 4D Analysis, 4D Analytics, Detailed 4D Analysis, 4D Direct Numbers, Graphs, Monthly 4D Forecasts, e-WinBox and Watch List.
